

Artwork Information

Every year, we have a booklet that goes along with our seminar, it includes our membership directory for the breeders and supporters, information for the seminar such as schedule, speaker bios and more. But, most importantly, we have all of the ads from our vendors and supporters! All of our Vendors have a 1.5" x 7.5" banner. Our Silver and Gold Level Sponsors have a 5" x 7.5" ad and our Ruby and Diamond Sponsors have a full page ad, 10" x 7.5"

We do ask that you provide the DPBA with artwork for this booklet, unfortunately a lot of the logos etc that are on webpages are not the correct quality to print. Please send artwork/ad design to the DPBA at same time as registering for seminar. If you need assistance with artwork, we will do our best to help you and your company!
